

Arizona Lease Non-Renewal Letter

General template, not legal advice. Have a Arizona attorney review before use. Last reviewed October 29, 2026.

Before you send this: in most places a landlord may decline to renew a lease at the end of its term. Some states and cities limit that with just cause rules, longer notice for long tenancies, or relocation payments. A non-renewal can never be retaliation for a complaint or repair request, or based on a protected characteristic.

Local just cause or tenant protection rules in Arizona: Starting December 31, 2024, cities, towns and other local taxing bodies may not levy a transaction privilege or similar tax on residential rent. (A.R.S. section 42-6004)

Retaliation rules in Arizona: A landlord may not raise rent, cut services or threaten eviction because a tenant complained to a government agency or the landlord or joined a tenant group, and a landlord action within six months is presumed retaliatory. (A.R.S. section 33-1381)
