

Florida Lease Non-Renewal Letter

General template, not legal advice. Have a Florida attorney review before use. Last reviewed October 29, 2026.

Before you send this: in most places a landlord may decline to renew a lease at the end of its term. Some states and cities limit that with just cause rules, longer notice for long tenancies, or relocation payments. A non-renewal can never be retaliation for a complaint or repair request, or based on a protected characteristic.

Local just cause or tenant protection rules in Florida: Since July 1, 2023, cities and counties may not set their own rules on tenant screening, deposits, application fees, lease terms, landlord fees or notice periods. (Florida Statutes section 83.425)

Retaliation rules in Florida: A landlord may not raise rent, cut services or file for eviction mainly to punish a tenant who complained to a code agency, joined a tenant group or used fair housing rights in good faith. (Florida Statutes section 83.64)
