Georgia Rent Ledger

General template, not legal advice. Have a Georgia attorney review before use. Last reviewed October 29, 2026.

Tenant name or names

Property address and unit

Lease start and end dates

Monthly rent

Rent due day

Security deposit held (record separately, not as a payment)

How to keep it: add one line for every charge (rent, late charge, utility, repair billed to the tenant) and every payment or credit. Charges raise the balance and payments lower it. A positive balance means the tenant owes money; a negative balance is a credit. Never record the security deposit as rent.
