

# Indiana Lease Non-Renewal Letter

General template, not legal advice. Have a Indiana attorney review before use. Last reviewed October 29, 2026.

Before you send this: in most places a landlord may decline to renew a lease at the end of its term. Some states and cities limit that with just cause rules, longer notice for long tenancies, or relocation payments. A non-renewal can never be retaliation for a complaint or repair request, or based on a protected characteristic.

Local just cause or tenant protection rules in Indiana: Local governments also may not regulate other parts of the landlord tenant relationship, such as the tenant screening process, without legislative authorization. (IC 32-31-1-20 and IC 36-1-3-8.5)

Retaliation rules in Indiana: A landlord may not raise rent, cut services or bring or threaten an eviction because a tenant complained to a code agency, complained in writing about repairs, sued under the landlord tenant laws, joined a tenant group or testified against the landlord. (IC 32-31-8.5)
