

Oregon Lease Non-Renewal Letter

General template, not legal advice. Have a Oregon attorney review before use. Last reviewed October 29, 2026.

Before you send this: in most places a landlord may decline to renew a lease at the end of its term. Some states and cities limit that with just cause rules, longer notice for long tenancies, or relocation payments. A non-renewal can never be retaliation for a complaint or repair request, or based on a protected characteristic.

Local just cause or tenant protection rules in Oregon: Cities and counties may not adopt ordinances that control the amount of rent on private housing, apart from narrow exceptions such as housing that receives public benefits. (ORS 91.225)

Retaliation rules in Oregon: A landlord may not raise rent, cut services, serve a termination notice or threaten an eviction because a tenant made a good faith complaint to the landlord or a government agency or joined a tenant group. (ORS 90.385)
