Texas Move-In Condition Checklist

General template, not legal advice. Have a Texas attorney review before use. Last reviewed October 29, 2026.

Walk through together if you can. Write a condition for every item (new, good, fair, poor) and describe any existing wear or damage precisely, such as a 2 inch scratch on the bedroom door. Take dated photos or video of each room and keep them with this form. Give the tenant a signed copy.

> Move-in record rules in Texas: Deductions need a written description and itemized list, and the landlord is not obligated to refund until the tenant gives a written forwarding address. (Property Code sections 92.104 and 92.107)
