

Texas Lease Non-Renewal Letter

General template, not legal advice. Have a Texas attorney review before use. Last reviewed October 29, 2026.

Before you send this: in most places a landlord may decline to renew a lease at the end of its term. Some states and cities limit that with just cause rules, longer notice for long tenancies, or relocation payments. A non-renewal can never be retaliation for a complaint or repair request, or based on a protected characteristic.

Local just cause or tenant protection rules: _____ (check the rule in Texas)

Retaliation rules in Texas: A landlord may not retaliate within six months after a tenant in good faith requests repairs or uses another legal right. (Property Code section 92.331)
